## AUDITOR'S REPORT

---

I hereby certify that I have examined the books and accounts of the Town Clerk, Treasurer, Library Committee and Trustees of Trust Funds and find them correctly and properly vouched.

The Road Agent's account shows he has received \$6,215.86 and expended \$6,195.83 leaving a balance in hands of Agent, of \$20.03.

Altho the Tax Collector holds Town Treasurer receipts for the amount of all the individual taxes listed in his book, this sum does not equal the amount called for in the warrant of the tax book. As the book was incorrect at the time the Collector received it, and was never rectified, it must now be incorrect.

There are many vouchers missing from the files of the Selectmen and in other respects their books and accounts are not all that could be desired.

Respectfully submitted,

A. HARRY DAVISON,

*Auditor.*
